Yes, your district does license LockDown Browser. I've copied Jeff Terry and Ryan McCormack on this email as they are the license contacts.

Subject: Respondus Lockdown Browser

Sales:

Do you know if Roanoke County Public Schools in VA is licensed to be using the Respondus Lockdown Browser for the 2016-17 academic year? I certainly hope so. I know that the school division uses the database, but I am not sure about the Browser.

Thank you,

Bob
